RE: 04-1542 - G.M.S.

Dear Judge Sleet,

I felt that it was very necessary to write you this letter to express my concerns that my efforts in this matter are being sabotaged. On July, 25th, 2005 I mailed one (1) original and one (1) copy of my response to the defendants motion to dismiss, to the clerks office. I also mailed a copy to the defendants attorney. Today I received a court docket sheet from the clerks office, and the last entry on the docket was on July, 29th, 2005. The response to the defendants motion that I sent to the court was not reflected on the docket

Anywhere. Which Means that this Facility did Not Send my Mail out. I had an August, 1st deadline, AND I am truly concerned that I will be penalized for this situation that is before me. I've had problems in the past with my mail not leaving this Facility, AND I need to be sure that everyone is aware of what is going on. Also, there are twenty six (26) defendants in this case AND only ten (10) of them have been served by the Marshals office. I wrote the Marshals office to inquire as to why the other defendants have not been served, AND I haven't gotten a response. These matters concern me because all I can depend on is the people that I give my mail to, to do the right thing AND mail it out. But this is not always going to happen.

So I needed it to be known
that I did everything that
I was suppose to do, And
if the Court sees a need
for me to re-MAIL another
copy of my answer to the
defendants motion to dismiss,
I do have another copy with
the exhibits that I attached.

Thank you for your time and
attention to this very serious
matter.

Sincerely

Kevin C. Brathwaite
